Senator Terrell, chairman of Judiciary Committee No. 1, submitted the following report:

COMMITTEE ROOM,  
AUSTIN, March 24, 1881.

Hon. L. J. Storey, President of the Senate:

Your Judiciary Committee No. 1, to whom was referred House bill No. 242, "An act to amend article 472 of title 95, chapter 3, of the Revised Civil Statutes of the State of Texas, approved February 21, 1879, and to provide for the payment of assessors and collectors of State and county taxes," have considered the bill, and a majority of the committee instruct me to report the same back to the Senate with the recommendation that it do pass.

The bill provides for an increase of fees of assessors on all State taxes in excess of \$20,000, and county taxes in excess of \$10,000, and in view of the necessity for an efficient assessment, and the further fact that the rate of taxation has been reduced at this session, thereby reducing the compensation of assessors, the committee are of opinion that the increase in fees provided by this bill should be made.

TERRELL, Chairman.

Bill read first time.

D. 1881.

Section 2. The near approach of the close of the session of the Legislature creates an imperative public necessity that the rule requiring bills and resolutions to be read on three several days in each House prior to its passage, be suspended as to this resolution; and it is so enacted.

Read by caption and referred to Judiciary Committee No. 1.

Senator Stubbs introduced the following joint resolution:

WHEREAS, A joint select committee of the Senate and House of Representatives of the Legislature of the State of Texas, who had been appointed to investigate and report the facts connected with the burning of a portion of the town of Brenham, and to recommend the proper action to be taken in the premises, on September 28, 1860, reported that the fire was the work of United States troops stationed at Brenham, done in a spirit of incendiarism, and also for the purpose of pillage, the property which was destroyed and lost amounting in value to \$131,036, a full list of which, with names of owners and the sworn evidence of witnesses to the facts upon which the report was based; and

Whereas, Said committee recommended that our Senators and Representatives in Congress and the Governor of this State urge upon the Congress of the United States the justice and importance of a settlement of the claims for said property so destroyed, and the removal of said troops;

Whereas, No action was ever taken by the Legislature except to request the removal said forces; therefore, be it

Section 1. *Resolved by the Legislature of the State of Texas,* That our Senators be instructed, and our Representatives in Congress be requested, to urge, by bill or otherwise as they may deem best, the early settlement of these claims by the United States.

Sec. 2. *Be it further resolved,* That the Governor of this State be requested to forward to our Senators and Representatives in Congress the official report of said joint select committee of the Legislature, together with such other papers and copies of proceedings as may be on file relating to said subject, and that he be requested to urge upon them the justice of these claims, and ask their best efforts towards the compensation of citizens of this State who suffered said losses.

Sec. 3. The possibility of an early extra session of Congress, and the lateness of the present session of the Legislature, creates an emergency and an imperative public necessity that this resolution should go into effect from and after its passage, and that the constitutional rule requiring bills to be read on three several days be suspended; and it is enacted.

Referred to Committee on Federal Relations.
